Enhanced Benefits Ending Oct. 1, 2026

Effective Oct. 1, 2026, MHS will discontinue all value-added and enhanced vision benefits for eligible members enrolled in Hoosier Care Connect (HCC), Healthy Indiana Plan (HIP), and Hoosier Healthwise (HHW). Changes include:

- The value-added benefit that allows members to opt out of the standard eyewear benefit and receive a \$75 allowance toward the purchase of contact lenses and/or contact lens fitting services from an in-network provider will be discontinued.
- The enhanced adult vision benefit that provides coverage for eyewear hardware once every two years will be discontinued. Adult members (age 21 and up) will revert to the state-covered vision benefit, which provides coverage for eyewear hardware once every five years.

Providers should continue to verify member eligibility and benefits prior to rendering services at centenevision.com/logon. Members will continue to have access to their applicable standard vision benefits based on plan eligibility.

Thank you for being our partner in care. We appreciate the opportunity to work with you to provide quality vision services to MHS members. If you have any questions, please call Customer Service at 866-599-1774.
